## Free College Meals

The College has a statutory duty to provide a Free College Meal to eligible students on the days they are timetabled to be in College. The College will use the 16-18 Bursary application and administrative processes to identify eligible students and notify them of their entitlement.

Free college meals are available for students who live independently or who are living with parent(s)/carer(s)/adult(s) mainly responsible for them, OR who live with a spouse or partner who are in receipt of any of the means tested benefits listed below:

- Universal Credit with net earnings not exceeding £7,400 p.a.

- Income Based Job Seekers Allowance
- Income Based Employment and Support Allowance
- Guarantee Element of Pension Credit
- Child Tax Credit ONLY (and NOT eligible to receive working tax credit) with an income of £16,190 or less,
- Support Under Part VI of the Immigration & Asylum Act 1999.
- (N.B. these are the same criteria which would entitle a school pupil to free school meals, and will be the criteria the College uses to identify statutory eligibility for Free College Meals)

### Important notice regarding availability of funding

The total amount of funding the College will receive from the Government is finite. Application and eligibility is not a guarantee that an award will be made.

The College will aim to help as many eligible students as possible and is recommending that all students who have identified that they are eligible to apply should do so as soon as possible.

However, should there be a shortfall in funding and if the College is unable to make awards to all eligible applicants, the College will prioritise eligible students on a case by case basis according to individual's needs and circumstances.

### When can I apply to the Bursary Fund?

We would encourage all prospective students who think that they might be eligible to apply for assistance to complete and submit the Student Bursary application form as soon as possible. Application forms and guidance notes are available to collect from Customer Services and from enrolment onwards, to print off from the College website or by emailing [traffordstudentbursary@tfcg.ac.uk](mailto:traffordstudentbursary@tfcg.ac.uk) to request that one is posted out to you. Early application will help us to ensure that any assistance awarded can be put in place as close as possible to the start of the September.

Applications can be also be made throughout the year.

### Do I need to submit evidence with the application form?

Yes, it is very important that the correct evidence is submitted with the application. The evidence required for each type of earnings, income and benefit is clearly specified on the application form. Photocopies are preferred but financial support staff will photocopy and return evidence if required.

PLEASE NOTE: IF YOU ARE IN RECEIPT OF UNIVERSAL CREDIT: In order to assess for eligibility for FREE MEALS, we need your three most recent Universal Credit Full Award Statements which state your monthly income (for example: earnings reported by your employer) and any deductions.

If the correct evidence is not submitted the form cannot be assessed and an award cannot be made. If this is the case, we will write to or email the student to inform them of what further evidence they need to submit. It is the responsibility of the student to make sure that they do this promptly.

### How will students know if they have been successful?

We will write to or email all students informing them of the outcome of their application. Successful students will get an **award notice** which tells them what their award is including where applicable if they are entitled to free college meals.

We will also communicate all unsuccessful students informing them of the reasons for the College's decision.

### **How and when will payment be made?**

Please note that your bursary award is based on course costs identified by your curriculum area, your assessed mode of travel and whether you are entitled to free meals. This means that for some students their bursary award **may be a one-off bacs payment ONLY** or may be paid to the College with **no direct payment to the student**. In some cases, a student may be assessed as having no costs or the monetary value of the award may be small.

Where payments are made directly to the student, they will only be issued once the student is enrolled on and has been attending their course for at least two weeks.

The Vulnerable Bursary and the Registered Young Carer's Discretionary Bursary will be paid by weekly BACS credit transfer into their bank account.

Discretionary Bursary travel payments will be made by monthly BACS credit transfer into the student's bank account.

Payments for equipment and uniforms will be by BACS credit transfer once confirmation has been received that the item has already been purchased by the student.

If items have been purchased or costs met by the College on behalf of the student, the Bursary Fund will reimburse the College.

Please note that no guarantee can be given that the full cost of an item will be reimbursed.

Students eligible for Free College Meals will be able to access prepaid meals in the College's Refectory.

### **Bank Details**

As outlined above, some payments will be made by BACS credit transfer directly to a bank account and as part of our application form we have included a request for bank details and would ask that all students fill in this section with their bank details.

Please note payments can only be made into the student's own bank account.

### **Are there any other conditions for receiving assistance from the Bursary Fund?**

Yes, any payments will be conditional on good attendance, good behaviour, and satisfactory academic progress (for example completing and handing work in on time). These conditions are the same as those outlined in your Learner Agreement which you will sign when you enrol at College.

### **What should I do if I am not happy with any decision that has been made regarding my application?**

Students can appeal against any decision made regarding their application using a 16-18 Student Bursary Appeal form or in writing to the Team Leader for Customer Services, Admissions and Student Finance.

Students can request an appeal form and a copy of the appeals procedure by contacting the Financial Support Officer at [traffordstudentbursary@tcg.ac.uk](mailto:traffordstudentbursary@tcg.ac.uk).

Initial assessments of applications and initial award decisions are made by the Financial Support Officer. In order to ensure impartiality, appeals will be investigated by the Team Leader for Customer Services, Admissions and Student Finance who has no part in the original decision making.

### **Changes in Circumstances**

Students may submit further evidence should a change occur in their circumstances which may result in them being assessed for a higher level of assistance. Except for Vulnerable Bursary students and where eligibility for Free College Meals has been identified, all other further awards will be subject to availability of funding. Students are also required to disclose any change in circumstances – personal, financial or educational that may make them ineligible for funding. Failure to do so may make the students liable for the cost of funding already received.

### **Equality and Diversity Statement:**

The Team Leader for Customer Services, Admissions and Student Finance and the Student Financial Support Team will:

1. Take positive action to ensure that all students can apply for financial support thus widening participation and providing learning opportunities for under represented groups.
2. Ensure that no applicant to the Bursary Fund receives less favourable treatment which cannot be justified in relation to individual financial/personal circumstances.
3. Ensure that all Student Support Bursary Fund literature, marketing and publicity materials are free from stereotypes, discriminatory assumptions, images and language.
4. Monitor and review the effectiveness of the support on a regular basis.
5. Ensure that this form is available in other formats if required.

### **Confidentiality**

Applications and evidence of income are only seen by staff involved in the delivery of the Student Bursary Scheme. All ticked sections on the form are treated in confidence.
